She's queen of all screens

Fall into these

Cindy Adams

THE camera loves Angelina. The fans love Angelina. The UN loves Angelina. I love Angelina. You love Angelina. Everyone loves Angelina — except maybe Brad Pitt. Only ones who doesn't maybe love Oscar winner/Golden Globe winner/highest paid actress winner Angelina are certain lesser folk from the set of her new film. Bitching and complaining, the littler types humph she was acting like a big star. Well, kiddies, she is. They burble she made like she's the director. Well, she has directed even if her things didn't maybe grab awards. Like Britannia doesn't have

Beauty emergency

SKIN CARE guy Peter Thomas Roth nearly went out of his own skin. Airplane emergency. Manipulating a wrong lever, a stewardess triggered the emergency exit, which then inflated a life raft onto the runway. Very startled unhappy passengers got bumped off since flying with only two life rafts is not permitted by the FDA.

His skin care line's called To Die For. Yeah, right.

BEING election season, this Thomas Jefferson brilliantism who, I might mention, did not tell it to me personally: "A government big enough to give you everything you want is strong enough to take away everything you have."

Which dredges up this question: Will VP Joe Biden correctly remember the name of our country?

'Tis a problem for the Dumbocrats, and not only in New York, kids, not only in New York.
